## 5 Reasons Advisors with Teams are Thriving

#1

### Earn More

CM Advisors with the highest earnings also have teams, and their earnings on team sales make up a significant portion of their income.

Monthly earnings from a Tier 3 Advisor who earns on personal and group sales each month.

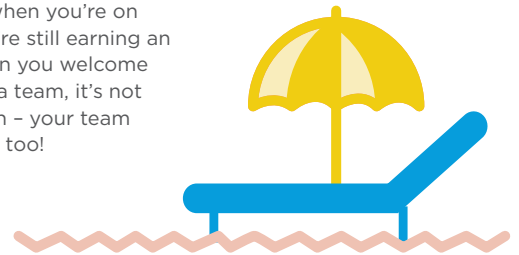

#2

### Earn When You're Off

**22%** of Advisors with earnings in the last year also earned commission on team sales.

This means when you're on vacation you're still earning an income. When you welcome and support a team, it's not only more fun - your team supports you too!

#3

### Level 5 is Achievable!

The number of Advisors at the highest level has grown **>50%** in 2017.

(P.S. EVERY Advisor level has grown in 2017.)

#4

### The Power of Working Together

Advisors who welcome team members have more productive businesses than those without.

Advisors with an upline on average have account balances **25%** higher than Advisors with no upline.
